LUXURY MECHANICAL WATCHES

## Haute Cuisine Meets Haute Horlogerie

Executive Chef Tobias MacDonald, kitchen master of the renowned B.C. restaurant La Belle Auberge, and Captain of Culinary Team Canada for 2007 and 2008.

**When Tobias MacDonald leads the Canadian delegation at international culinary competitions in Luxembourg, Basel and Chicago, he comes back with gold medals and accolades.**

**In haute cuisine, the level of meticulous detail and the attention to quality is extreme. Naturally, when it comes to the watch on his wrist, Tobias' choice is a timepiece that has been designed and manufactured to the same fastidious standards.**

**Tobias MacDonald's watch is the Lacus Temporis, a limited edition chronograph from Canada's ultra luxury watch brand, Rufus Gerard.**
